

# Dr. John Rice to Conduct Baptist Revival Campaign

**ENROLLMENT TOLD**  
The official enrollment figure for the second semester at Compton College was announced this week by Holland Spurgin, dean of records, at 4515 students. The first week of the spring semester there was an enrollment of 4419.

**RESISTANCE INCREASED**  
Molybdenum added to alloys of stainless steel increases corrosion resistance of the metal.

**VIDEO TOO**  
Television this week picked up the time-worn cry of salesmen—"So easy a child can operate it." There came this week to Torrance with no less than a local angle. Judy Ann O'Connell, daughter of Don O'Connell, sales manager of Gibson-DeVore, 1875 Carson street, Tuesday evening appeared on the television show "Bob McLaughlin's Picture Album."

## Noted Rotarian Will Address Torrance Club

A leader in his community of Hawthorne, Jordan E. "Jim" Dupa way, an outstanding Rotarian with 22 years perfect attendance, will address the Torrance Rotary club Thursday night, according to William Walker, program chairman. Dupa way's subject will be "Rotary, Molder of Men."

J. E. Dunaway

The speaker is well on his way to bettering the mark he set last year during which he spoke to 42 clubs. He currently is serving his second year as Chairman of the District Magazine Committee.

Owner of the Dunaway Funeral Home in Hawthorne, he serves that area as a director of El Camino College.

**NEW GASKETS BEST**  
The motorist will find it pays to specify new gaskets in the reassembly of the power plant when having any adjustment or repair made to the engine that involves the removal of a gasket of any kind. Occasionally that the desire to cut the cost of the repair results in the mechanic's effort to use the old gaskets again. This practice results too frequently in failure regardless of the good intention.

## Former Teacher To Review Book

A review of Joshua Liebman's book, "Peace of Mind," will be given Sunday night by Mrs. Cornelia Backer, former public school teacher, in the Central Evangelical United Brethren Church of Torrance, according to Rev. H. Wesley Roloff, pastor. The book will be interpreted in the light of Christian living and thought.

Women of the Ladies' Guild are in charge of the service. In the regular morning worship service, Rev. Roloff, will speak on the sermon theme, "The Meridian Test."

## Sunday School In Temporary Tent Quarters

Mrs. Leo Wagner, superintendent of the Harmerston Tract Union Sunday School, reported this week that the school is now operating with renewed zeal in the large tent on the corner of Elliot and Milton streets. The former meeting place, a borrowed garage, was sold recently forcing the 65 members of the class to seek a new meeting place, Mrs. Wagner said. The tent is temporary shelter, she stated.

Last Sunday evening a large group of persons attended the services to hear Rev. Bob Coburn, assistant pastor of the Torrance Baptist Church and to see a religious motion picture.

This Sunday the school will meet at 9:30 a.m. followed by church services at 11 p.m. Rev. Clarence Chilton, superintendent of the Southwest District of American Sunday School Union, will be the speaker.

## Christian Science Lesson Subject Is 'Matter'

The Golden Text of the Sunday lesson—Sermon on "Matter" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, is this verse from Jeremiah: "Truly in vain is salvation hoped for from the hills, and from the multitude of mountains: truly in the Lord our God is the salvation of Israel."

According to I Samuel, David accepted the challenge of Goliath and said unto him, "Thou comest to me with a sword, and with a spear, and with a shield; but I come to thee in the name of the Lord of hosts, the God of the armies of Israel, whom thou hast defied. . . . And David put his hand in his bag, and took thence a stone, and slung it, and smote the Philistine on his forehead. . . . and he fell upon his face to the earth. So David prevailed over the Philistine with a sling and with a stone. . . . but there was no sword in the hand of David."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures," "Matter and Mind are opposites. One is contrary to the other in its very nature and essence; hence both cannot be real. . . . Only by un-

DR. JOHN R. RICE

Church of Torrance during the next two weeks, according to Rev. C. M. Northrup, pastor. The first of the meetings will be held next Monday night and will continue each evening except Saturday until April 3, Rev. Northrup said.

"Although Dr. Rice uses colloquial and pungent language, and with whimsical humor, he is characterized principally by three outstanding traits in his preaching," Rev. Northrup said.

A tremendous use of Scripture, not only are his sermons clear Bible expositions, but they are buttressed by many quotations. In a single sermon often as many as fifty quotations are given from memory or read from the Scriptures.

His forthright denunciation of sin, his preaching on repentance, Hell and judgment.

His impassioned earnestness, which is expressed sometimes in tears, nearly always in unusual fervor and in a compassionate tenderness.

## Dr. C. A. Cole to Install Rev. England

Dr. C. A. Cole, state secretary of Christian Churches in Southern California, will present the sermon this Sunday at the Torrance First Christian Church. The good doctor also will install the new minister Cecil J. England successor to Rev. Ronald J. Menmuir. The latter has accepted a teaching position at Chapman College.

Understanding that there is but one power, —not two powers, matter and Mind,—are scientific and logical conclusions reached."
